## Background

I went to school in Cincinnati where I majored in architecture until I found more enjoyment in design in general, rather than buildings. School and work have taken me to different parts of the country and even across the globe to Beijing. I enjoy maintaining a 'jack of all trades' approach to design as it keeps me constantly learning and growing.

I currently reside in Indianapolis with my wife and our 2 kids and dogs.

### Education

University of Cincinnati - DAAP BS in Digital Design with Honors Teaching Assistant, Digital Skills

## **Proficiencies**

Adobe Creative Suite HTML/CSS Wordpress Sketch InVision Microsoft Office

## Skills

Storyboarding & Animation Graphic Layout Print Production UI/UX Design Photography Video Editing Audio Editing

## **Work Experience**

#### Lumavate - Senior Designer

Dec. 2017 - Present

I began working with Lumavate as a contract designer before stepping into their first full-time design position. My job entails taking on any design need we might have, and being proactive about design opportunities we have yet to consider.

Design and maintain branding integrity and consistency Design marketing collateral (infographics, videos, whitepapers) Create UI design concepts for potential customers Design demo mobile experience and templates

## PLTW - Senior Designer

2014 - 2017

I started with Project Lead The Way working with the Media Team as a Digital Media Specialist creating animated and interactive content based on our STEM curriculum. I later transferred to the Marketing department to manage our branding and communications needs.

Design all graphics for the 2017 national conference Design and maintain branding integrity and consistency Design marketing collateral (infographics, videos, whitepapers) Shoot and edit instructional videos for PLTW Teachers Animated STEM concepts for PLTW Students

## Schmidt Associates -Digital Media Specialist

2012 - 2014

Based on my experience with architecture in college, I joined Schmidt Associates to help tell the stories of the projects we worked on. I worked on everything from building renderings to marketing documents, even assisting in the design of a local community rebrand.

Create all graphic materials for marketing and operations Design of Lafayette Square International Marketplace rebrand Rebranding of business cards and marketing materials Filming, editing, & post production of video and web content

## Art Institute - Adjunct Professor

2011

While looking for full-time work in the design field, I served as an Adjunct Professor of Graphic Design for 2 semesters. I taught at both the introductory and senior levels. My courses included Introduction to Illustrator, Typography, and 3D Packaging Design.

Create and present my curriculum for each course Design projects to measure and improve students performance Communicate design aesthetics and standards at various levels
